February 26, 1959

FILE 110

Mr. Allen W. Dulles
Director
Central Intelligence Agency
Washington, D. C.

Dear Allen:

First of all, I wish to congratulate you on your fine presentation before the Committee on Science and Astronautics.

Last year and this year I introduced bills for the creation of a National Science Academy, and I was delighted to hear your comments with respect to the Soviet Science Academy and the status of scientists in that country.

I have recently revised my bill by adding two new sections, Section 12 and Section 13, which you will note in the enclosed copy of bill. This was for the purpose of making the Academy more attractive and, also, to encourage scientists to stay in government.

I would appreciate your comments on this bill as early as possible.

With warm regards, I am

Sincerely yours,

VLA:EC
Encl.
